Subject: AI Can't Take the Test – But It Can Build Your Skills

Dear Imagine You-cd Teens,

AI cannot take the SAT, ACT, or other college entrance exams for you — but it can help you build the skills that will better prepare you to succeed.

How AI can support your prep

- **Personalized practice:** Adaptive quizzes that target your weak spots.
- **Clear explanations:** Step-by-step solutions to tough problems.
- **Progress tracking:** See where you're improving and where to focus.
- **Smart study plans:** Tailored schedules to fit your goals and time.

Helpful resources

- Khan Academy SAT Prep (free, personalized practice)
- ACT Official Practice Tests
- College Board's BigFuture for strategies and planning
- AI-powered apps like Quizlet and Grammarly for practice and writing support
